We believe that life is meant to be sipped and savored, and good times should always be shared. Wrap that vision with 30 handcrafted beers on tap, a love for bourbon, our progressive scratch-made and sustainable bar fare menu, and you've got the barleymash culture.

At Tavern at the Beach, located on the legendary Garnet Avenue, you'll find industrial-styled garage doors opening up to a street-side patio, welcoming subtle ocean breezes and lively conversation. Inside, a massive central bar spans below The Tavern's rustic open beamed ceiling, inviting a vibrant setting for toasting to another perfect day at the beach.

Positioned only blocks from the sand, the Tavern's vibe is coastal-cool, and we certainly have the libations to pull it off. Our brilliant selection of 30 draft handles is certain to lift your spirits. If beer isn't your thing, sample from the extensive boutique bourbon offerings we feature. Still thirsty? Try a hand-crafted cocktail or local brew to fire up your night.

We've taken care of your appetite too, relying on the expertise of one of San Diego's top chefs. He calls it German Coastal, but you'll probably be satisfied with "best at the beach." Our full-blown menu features top quality local ingredients and reflects a celebration of the hearty flavor of pretzels for starters, requiring equally rugged pairings

perfected with the spicy delicacy of mustard and the hoppy decadence of beer.
