## Pacific Beach

Summer never ends in this youthful neighborhood between La Jolla and Mission Bay.

- ◆ **Eat:** Extra napkins will come in handy as you dig into some baby back ribs or a brisket burrito at upscale barbecue joint Iron Pig Alehouse. For oceanfront eats, indulge in the succulent seafood at World Famous.
- ◆ **Drink:** Pacific Beach's nightlife scene is a favorite for the college-age crowd. Try Mavericks Beach Club or PB Shore Club.
- ◆ **Shop:** Stroll along Garnet Avenue. This mile-long stretch is lined with boutiques, kitschy retro shops and surf outlets.
- ◆ **See:** Hit the boardwalk for some prime people-watching—you may run into street performers, roller skaters, runners, bicyclists and surfer dudes.
